

Staying Home Honour for Pathfinders

#PathfindersStayHome

We are staying at home – Pathfinders as well. At home we can still be a Pathfinder by staying up to date with the latest news, supporting those in our community and having fun. In order to do this, we have developed a special honour which you can start straight away!

As we are unable to meet up to do the honour together as we normally would, we invite you to complete the tasks in the attached workbook and to document the tasks through photos and videos. This has been specified for each task.
