We are staying home – Pathfinders as well. At home we can still be a Pathfinder by staying up to date with the latest news, supporting those in our community and having fun. In order to do this, we have developed a special honour which you can start straight away!

Because we aren't able to meet up to do the honour together as we normally would, we invite you to complete the tasks in this workbook and to document the tasks through photos and videos.

## Staying Home

Even if we have to currently stay at home, there are many ways in which we can keep ourselves busy.

1. Write down why it is important to stay at home at the moment.

2. Write down 5 things you can do with friends without meeting up and do two of them.

3. Write down 5 useful things which you can do at home alone or with your family and do one of them.
